Statewide	Surviving and Thriving. Healing Sexual Trauma is an ongoing online therapy group for female identified survivors residing in CA. We meet online Tuesday evenings from 7pm until 8.45pm. The group draws on my book, the Healing Sexual Trauma Workbook: Somatic Skills to Help You Feel Safe in Your Body, Create Boundaries and Live With Resilience, my years of specializing in working with survivors, and lessons learned from my own struggles in healing from sexual trauma. The group is open to childhood survivors as well as adult survivors, unfortunately many survivors have experienced both. Weekly attendance is important, yet there is no commitment to how long you attend the group since there	Erika Shershun Therapy Author of the book: The Healing Sexual Trauma Workbook. 415-570-9409 www.ErikaShershunTherapy.com	Healing@SexualTrauma.com

are many variables contributing to my goal of supporting you in symptom reduction or elimination and the integration of trauma. I also offer individual therapy for male, female, nonbinary and trans survivors in CA, and individual coaching for those residing outside of California.

Especially For Men Group
Male Survivors of Childhood Sexual Abuse. On-going since 1992
Stephen Braveman facilitates this healing group and provides men a safe, private and nurturing environment to move beyond the pain related to childhood sexual abuse. Participants work through isolation, fear, confusion, anger, depression and low self-esteem with other men who have had similar experiences.

Join the hundreds of men who have worked through our program and have become empowered to take their lives back.
