<td>Surviving and Thriving. Healing Sexual Trauma is an ongoing online therapy group for female identified survivors residing in CA. We meet online Tuesday evenings from 7pm until 8.45pm. The group draws on my book, the Healing Sexual Trauma Workbook: Somatic Skills to Help You Feel Safe in Your Body, Create Boundaries and Live With Resilience, my years of specializing in working with survivors, and lessons learned from my own struggles in healing from sexual trauma. The group is open to childhood survivors as well as adult survivors, unfortunately many survivors have experienced both. Weekly attendance is important, yet there is no commitment to how long you attend the group since there</td>
