Netherlands Representative Office  
Child Abuse is any form of maltreatment that is violent or threatening for a child. Children and adults who are victims of sexual abuse can contact the representative office as the officers may have knowledge of local resources that can help. In the Netherlands since 1st April 2013 sexual offences against children that carry an eight year sentence are no longer subject to a limitation period. The Statute of Limitations has been scrapped for serious offences committed after this date 1st April 2013.

**Jamaica**  
Kingston

If you are a British National living in or visiting Jamaica and you need help and support locating services for victims of abuse, please contact The British High Commission in Kingston.

You can also get specific help if you have been the victim of rape or sexual assault abroad. The British Embassy, The British Commission or the Consulate will help you to: Arrange for someone to accompany you to a local police station. Arrange a medical examination or find an English-Speaking doctor. Get advice on sexually transmitted infections, abortions and pregnancy according to local laws and customs. Get advice, professional help or counseling both abroad and in the UK. They will deal with your situation in a sensitive, non judgemental and confidential way and you can ask to deal with a male or female at any time.
