NOCAN the National Organization for the Prevention of Child Abuse and Neglect is the leading agency in Belize dedicated to children's rights. Nopcan works to enhance parent's skills, educate children about child abuse and inform them of their rights at age appropriate levels. As such NOPCAN does not provide services to abused children but attempts to stop the abuse happening in the first place.

**Advice Line 501-667-0210**

Domestic violence is a taboo subject in Belize. There is little awareness and less community response. Our mission is to help women to help themselves, we encourage women in violent situations to empower themselves to enable them to achieve a degree of financial independence so they have the possibility of making a fresh start.
