Ponthafren is a registered Mental Health Charity, catering for people who experience mental health issues or social isolation / exclusion. The group offers facilities where people can call in, relax, chat and have a chance to participate in a wide range of workshops, activities and courses, if they so wish. In-house support and information is available and the association can signpost to other organisations and specialist support services. Most of us have times in our lives when things are difficult. Talking to someone confidentially who is trained to support you can make all the difference. Counselling can help you explore your troubles and feelings, perhaps helping you to see things more clearly or from a different perspective. We offer a free counselling service in both our Newton and Welshpool Centres. Daytime and evening appointments are available by appointment. We also offer a free one to one Support Worker, this project is designed to empower you to live a good life, achieve your goals and to move forward. We aim to overcome the barriers that are stopping you fulfilling your dreams. If you would like to engage in any of our services please feel free to give us a call on
