SNAP Gatherings weekend events. These events are where survivors can focus on their personal experiences, gather information and inspiration and decide the next steps to take in their personal journeys. The gatherings are for survivors and loved ones who want to focus on personal issues. Working in small groups SNAP Gatherings begin on Friday at 7pm and end at noon on Sunday. Participants are asked to attend all the sessions of the weekend. There is a power in the group dynamics that is diminished with folks coming and going but exceptions can be made if necessary.
